If you are competing in this show AND the WPDA show on Friday, your stabling, shavings, haul-in fee and camper hookup fees should be paid on THIS entry form. In the event of a very full show, early-entered riders - competing all three days - will get priority consideration for entry & stabling.

ARENAS/FOOTING: Indoor arena (80' x 204') has shredded leather footing. Due to the lack of space between the arena walls and the dressage ring, riders are permitted to enter the ring, make one pass around the perimeter of the ring, exit, and then enter again for their ride. (Approved by the USEF.) There are three outdoor rings (in a 325' x 250' total area,) with all-weather footing, plus there are two outdoor warm-up areas (125' x 225', & 75' x 135',) with all-weather footing. There is also an outside area with all-weather footing for lungeing, as well as grass areas. (All-weather footing consists of limestone screenings.)

STABLING: Grand Haven has 114 permanent box stalls with doors, (main - 10'X12', Show - 10'X10'. & F - 12'X12'.) There are 38 stalls in the main barn, the rest are well-lit, airy show stalls with doors & electric, under shelter. First bedding is not provided - bags are available by ordering on entry or for sale on grounds.

REFUNDS: Full refund less office fee prior to closing date, with a vet's certificate. After the closing date, no refunds. Unaccepted post or waiting list entries will get a full refund. (Attention: If any classes are cancelled due to severe weather or emergency, a credit for the entry fees will be given for those classes only.)
